TERMS AND CONDITIONS

By engaging the services of ScholarshipHive Edutancy (SMC-Private) Limited, hereafter referred to as "the Consultancy Firm", you agree to be bound by the following Terms and Conditions. Please read them carefully before proceeding.

1. Services Offered

The Consultancy Firm provides educational advisory and consulting services to students and parents seeking guidance on educational institutions, programmes, scholarships, visa processing and all related matters.

The Consultancy Firm will submit applications to a maximum of ten (10) universities on the client's behalf. If no admission offer is received from these universities, the Consultancy Firm will then apply to further suitable options.

2. Client Responsibilities

- Provide accurate and complete information regarding your educational goals, work experience, background and requirements.
- Cooperate in a timely manner, respond promptly to all inquiries, and supply necessary documentation as requested.
- Follow the advice and recommendations of the Consultancy Firm to the best of your ability.

3. English Language Proficiency (IELTS) Requirement

If a client is on-boarded without a valid IELTS result, the client is required to obtain and submit an IELTS result meeting the minimum score prescribed by the intended university and programme — or an equivalent test accepted by that university, subject to the written confirmation of the Consultancy Firm — within the timeline advised by the Consultancy Firm and in time to meet the admission and visa deadlines of the intended intake. Booking, sitting and paying for the test, and any re-take of it, is the sole responsibility of the client, and the Consultancy Firm shall not be held liable for any refusal, withdrawal or delay of the application arising from a result that is not provided in time or that falls below the university's requirement, in which case the payment and refund conditions set out in clause 5 continue to apply in full.

4. Consultancy Fee Structure

The client agrees to pay the Consultancy Firm the agreed total amount in Pakistani Rupees (PKR) for services rendered, structured across three installments as follows:

1st INSTALLMENT	**PKR 160,000** Due at the time of admission to initiate the consultation process. This amount is dedicated to processing admission applications and securing enrolment in the concerned field.
2nd INSTALLMENT	**PKR 160,000** Due after the client receives admission confirmation. This covers opening the blocked account, joining the visa waiting list on the Consular Services Portal and preparation of the visa application file. Payment must be made within 10 days of the admission letter being secured.
3rd INSTALLMENT	**PKR 55,000** Due after the client successfully obtains a visa. Payment must be made within 5 days, upon which all credentials and details will be handed over to the student.

5. Payment Conditions

1. If the client fails to make any scheduled installment, the Consultancy Firm reserves the right to suspend all services until the outstanding amount is received.
2. If the client changes their plans after paying any installment, no refund of that installment will be issued.
3. The Consultancy Firm's fees cover only educational advisory and consulting services. All additional expenses — including university admission fees, document attestation, hotel bookings, airfare, insurance, visa fees, IELTS or equivalent test fees, and any other incidental charges — are the sole responsibility of the client.
4. The 1st Installment is strictly non-refundable under all circumstances, including in the event that the client does not receive an admission offer from any university.
5. If the client is unable to join the intended intake due to a delayed visa appointment or visa processing, the Consultancy Firm will first explore the possibility of deferring the admission to the next available intake with the university. If deferment is not permitted by the university, the Consultancy Firm will apply for and secure admission for the client in the next available intake at no additional consultancy fee, provided the client remains eligible and complies with the university's admission requirements.
6. Once the client commences the process, all outstanding package dues must be settled before discontinuing at any stage. Failure to do so entitles the Consultancy Firm to pursue legal action.

6. Confidentiality

The Consultancy Firm shall maintain strict confidentiality of all client information and will not disclose any personal or sensitive data to third parties without prior written consent, except where required by applicable law. Clients are likewise expected to maintain confidentiality of any proprietary information or materials provided by the Consultancy Firm.

7. Limitation of Liability

The Consultancy Firm will provide its services to the best of its professional abilities; however, it does not guarantee the award of any scholarship, the grant of admission, or the issuance of a visa. The Consultancy Firm shall not be liable for any direct, indirect, incidental or consequential damages arising from the use of its services.

The Consultancy Firm reserves the right to amend these Terms and Conditions at its discretion. Clients will be notified of any changes in writing, and continued use of the Consultancy Firm's services shall constitute acceptance of the amended terms.

ACKNOWLEDGEMENT & SIGNATURES

By signing below, both parties confirm that they have read, understood and agree to be bound by the Terms and Conditions set out in this Consent Form in their entirety, including the consultancy fee structure, the payment and refund conditions, and the English language proficiency requirement.
